Green Nickelodeon vs. Gold Disney!

The week we had all been anticipating all summer was finally here! The Battle At The Bridge had campers and team members decked out in green and gold from head to toe! The color war chants around camp, the sportsmanship points and a little competition make this week one that stands out above the rest! We

are So proud of Gold Disney and Green Nickelodeon and you all should be also!

Of course the heat decided to join in on the fun as we battled out at the different games! Lucky for us we were able to participate in our outdoor competitions in the early morning and bring the fun into our indoor airconditioned activities in the afternoon! There were points to be given at all the different activities and this was the closest score throughout the games in Frogbridge History!

Our annual 86 acre relay took place on Tuesday morning! During this annual event all the different groups in camp are placed at all of the different activities throughout our 86 acres. Every single camper gets to be a part of it! Sooo cool! The Generals of the teams start out on Yellow Meeting House Road and pass a bandanna to their lieutenants at the next event. As they go through each event the bandanna is passed along throughout! The green team had the lead throughout much of the race until

the final event. As they arrived at the assembly area the generals and lieutenants had put together a giant team puzzle. Once that is done they are given a combination code to unlock a lock on a huge crate sending their colored balloons into the air! Congrats to Gold Disney for winning this years race! We are so proud of you!

A favorite tradition during color war is the bucket dump at assembly each afternoon! The campers and team members wait for their leaders to pull on their buckets to see if they are being soaked with water or another secret substance! This tells them who is in the lead for that day! Always a fun time to watch, maybe

not so much for the team members who are soaked!

Everyone was ready to go on Wednesday for the Team member kickball game and Sing Finale! Going into the finale, one team was leading by just 19 points! Our three judges had a tough decision to make as each team presented their song books, plaques, fight song and alma mater! We are incredibly proud of both of the teams hard work, but in the end Green Nickelodeon came out 61 points ahead of Gold Disney crowning them the new color war champs!

Thursday when we returned to camp we returned to our regular schedules and the best part we were able to share it with all of you. We hoped you enjoyed Family Night as much as we did. From the pool to the lake, rock wall and bungee, and ice-cream in Ribbits or playing basketball with your family, Parent Night 2022 was a huge success. Thank you to everyone that joined us.

The camp carnival is always such a fun special event. The campers love the rides, games and all the sweet treats. Their smiles say it all when they are eating cotton candy or riding the swings. Such a great time was had by all.

It's hard to believe when we return to camp on Monday we will be starting our last week together. We have lots more in store to make more memories with our amazing family. Have a great weekend and rest up, we have a lot to do on Monday, we are not ready for reality just yet.
