SUMMER 2024

Welcome to Our Silver Summer Celebration!

Frogbridge Fun Facts

As you know, Frogbridge is celebrating our 25th Anniversary this summer. We opened the doors in 1999, with JR giving the first tours on a tractor! Its amazing that as of today, we have spent 942 days at our summer home. We can't wait to make more "unfrogetable" memories with your families this summer as we celebrate our "silver summer".

- What's Gonna Hoppen Week 2:**
- * **Monday—Yes or No!**
 - * **Tuesday—Jell-O Tug of War!**
 - * **Wednesday—Red, White, Blue Day!**
 - * **Thursday—4th of July! Camp Closed!**
 - * **Friday—Flight Crew Jump Rope!**

It is hard to believe that after 10 long months we were finally back at our summer home. The summer we had all been waiting for, our Silver Summer celebration, celebrating 25 years at Frogbridge, was finally here. Campers arrived off the busses on Monday morning ready to go. They were so excited to see old friends, make new friends and create memories they will remember forever. Harry J arrived at assembly to take some pictures with his friends, the first group raised the flag and campers were quickly off to participate in their favorite activities.

When we arrived at camp on Tuesday, we started our first assembly game with our 25th Anniversary Trivia. Campers have the morning assembly to find the answers to the tricky questions all related to Frogbridge and its history. It was fun to see

them looking around for clues or asking team members that were once campers themselves for help.

Our first special event in HSG, called "Buddy Check" was a great way for our groups to learn all about their new friends. In pairs of two, groups competed to see how many fun facts they could answer about their new buddies and hopefully match their answers. Great job to everyone that participated!

Our first Wear-It Wednesday of the summer, celebrated our Silver Summer, with campers and team members dressed in all silver. From shirts and shorts, to silver shoes, some campers were so creative that they even had handmade silver hats and boots made from tinfoil! Our brand new 25th anniversary edition Frogbridge water bottles were given to the groups in each division that had the most participation.

Great job to everyone that dressed up!

On Thursday at our Giant Candy guess, campers had a chance to guess how many different kinds of candies were in our giant jar of candy all mixed up! So many campers were so close, but congrats to Mackenzie D. from MG4 for guessing the exact amount of 456! Way to go! Enjoy your Amazon gift card and a trip to Pups of War in Freehold!

On Friday the fun was all over camp! HSG had campers participating in a brand new special event called, Campardy. Their were physical challenges, game show trivia questions, and silly and wacky contests. We not only showed off our sports skills, but our knowledge as well. While on the other side of camp we had our first BBQ dance party of the summer. The DJ had campers dancing to our favorite songs of the summer showing off their dance moves while enjoying delicious barbecue with their friends! Such a fabulous Friday!

The week went so fast, but the fun is just beginning! We can't wait for what's in store this summer. We have all new wear-its, new special events and the best anniversary party all ready to go! The Silver Summer Celebration is going to be the best one yet!
