SUMMER 2024

## Party In The USA!

### Frogbridge Fun Facts

Did you know that there are over 65 activities at Frogbridge for our campers to enjoy? In order for the campers to get to go to all the activities we have even and odd week programming. Our junior, middle and senior campers have a chance to enjoy their favorite activities even more by picking them during their club times. That is a whole lot of fun in a jam packed week! Ask your camper what their favorite activity is!

- What's Gonna Hoppen Week 2:**
- \* **Monday—Hoppy Habitats!**
  - \* **Tuesday—True or False!**
  - \* **Wednesday—Pajama Day!**
  - \* **Thursday—Picture Day!**
  - \* **Friday—Powerhouse Presents The Zone!!**

How can it be possible that Week 2 is over already? When we returned to camp on Monday, smiles were everywhere, we sang, danced and raised the flag and we were eager to get to all our new activities. All around camp, campers were trying new things, cheering for their friends and creating memories that will last forever. Whether they were at rock and ropes zipping across the lake, making churros in Chef Harrys or hitting a homerun at Little Fenway, Frogbridge campers were having a blast. Our Middle and Senior Campers started their league competitions, Theatreworks started practicing Alice in Wonderland JR, and everyone was getting ready for the Octagon semi-finals. We were certainly ready to have some fun in the sun (we couldn't have asked for better weather)!

Our annual Team Member Tug-o-War was a little earlier in the season than normal this year, but our team members were more than ready! The red jell-o looked refreshing at first, but of course no one wants to be the one covered in it! In an elimination style competition, team members in each division went up against other divisions to see who would win it all. In the end it came down to our lifeguard team who pulled the instructors right into the red jell-o pool to win this year's title. Thank you to all our campers for cheering them on! Way to go lifeguards!

We all came to camp on Wednesday, ready to celebrate Red, White and Blue Day! Campers and Team Members were July 4th ready. In all their stars and stripes, we showed off hats, socks, tshirts, flags and so much more. Our middle camp boys counselors came to camp in coordinated full Uncle Sam suits with pants and a jacket! Campers are

showing such great spirit with our wear it days and everyone wants to be called on stage at assembly for having the most unique ensemble. Make sure you get your pjs ready for next week. Our groups from each division with the most participation will win our 25th anniversary water bottles!

Although camp was closed on Thursday for July 4th, we came back ready for a Frogbridge fun Friday. In true Frogbridge spirit we formed the largest camper conga line and danced our way around assembly to Sweet Caroline led by our own Harry J!. The DJ joined us for our first taco mania of the season, and played our favorite songs while we ate lots of tacos and nachos. Our special event, called Flight Crew was an extraordinary jump-roping show! The crew who was featured on America's Got Talent performed trick after trick all while using a jump rope! There were solo jump ropes and jump ropes that were long enough for a group of six to all jump and flip at the same time. What a talent to have!

The days are flying and we need time to slow down just a little! Have a great weekend and relax because there is a lot more fun packed into Week 3! We know we will be seeing a lot of practicing going on for our talent shows in week 4! We can't wait!

### SUMMER 24 SHOUTOUTS

Tadpole Campers had a blast Week 2! They are enjoying all their activities and love dressing up for Wear-It Days!

Intermediate had another fantastic week! We had so much riding ponies and enjoying all our activities! We can't wait for week 3!

Junior Camp had a great second week of camp. JB1 were the wear-it winners this week and we all LOVED the special event on Friday!

MG4 camper Mackenzie D won the candy guess at the end of week one. MG4 and MG2 raised the flag this week! MB2 won the Red, White, and Blue Day wear it! Way to go Middle Camp!

Senior camp added new members to the little Fenway home run club. We had our eight first finalists for the octagon semi finals and SB1 ended our week raising our flag, joined by Harry J! Congrats Senior Camp!
