SUMMER 2024

The Coolest Kids in Camping!

Frogbridge Fun Facts

Wear-It Wednesdays have been a special event at Frogbridge on Wednesdays since camp opened in 1999. It gives all of our campers and team members a chance to dress up in what the theme is for the day. Each week a different group who has the most participation wins a Frogbridge Giveaway. This week's theme, pajama day, is always a camper favorite. Past days have included Jersey Day, Hawaiian Day, Ties and Tutus and the list goes on and on!

- What's Gonna Hoppen Week 4:**
- * **Monday—Broadway Bound!**
 - * **Tuesday—Junior Camp Talent Show!**
 - * **Wednesday—Best Cartoon Character Day! Tadpole and Intermediate Talent Show!**
 - * **Thursday—Dino Quest! Middle and Senior Camp Talent Show!**
 - * **Friday—Wacky Water Day!**

Frogbridge campers need time to slow down, because this summer is flying by! Week 3 brought with it, more special events, more giveaways, more homeruns at Little Fenway, picture day and a whole lot of hot weather. Good thing our campers are the coolest kids in camping as they enjoyed all our air-conditioned activities, because we sure needed it this week! The pool was "hopping", we were so cool in the main street activities, and Frogbridge Campers were having a blast.

We welcomed many new campers to camp on Monday, and they got right into the swing of things. With the hot weather all week, we took advantage of extra swims and all our indoor air conditioned activities. Talent Show practicing has campers dancing all around main street, and campers are really excited for the shows next week. Please make sure to send in your costumes on Monday. We hope you are as eager as we are to watch the performances.

Tuesday's special event, called True or False had campers thinking about all the Frogbridge fun facts and trivia they know. At this division wide activity, campers were asked a Frogbridge Trivia fact and they had to decide whether it was true or false. If they guessed correctly they continued on in the game until there was only 1 camper left. There were some challenging questions and some fun ones too. Be sure to ask your campers if they remember where Harry J got his name! Great job to everyone that participated!

This weeks wear-it Wednesday is always so much fun, because we roll out of bed and come to camp in our pajamas! Many campers add to the fun and wear sleep masks and we even had a few team members who put curlers in their hair! As an added bonus, some campers even bring their stuffed animals for a day of fun! The best part about pajama day, has to be the breakfast for lunch, as it is such a fun way to celebrate our day!

Our one and only picture day was Thursday, and with it came

SWEET DREAMS

lots and lots and lots of smiles. Campers received their official 25th anniversary t-shirts as they took their pictures and were smiling from ear to ear. We can't wait to get them back in a few weeks! Wear your 25th anniversary t-shirts proudly!

Although the rain decided to join us on Friday, Powerhouse studios returned to Frogbridge this year with an all new show called "In The Zone". The crew from Powerhouse performed this game show challenge for the first time anywhere for us at camp. Our Campers competed in different physical challenges to earn chips to get pied (with whipped cream) in the face in all silly ways. There was basketball, races and even foam ax throwing involved. All the campers and team members had such a good time and the pie seemed to wash off pretty easy (and tasted pretty good too)! Fridays are without a doubt Frogtastic at Frogbridge, because not only are they special event days, they also bring Sweet Caroline, the best ever bbq and the biggest DJ dance party we have ever seen!

As we wrap up Week 3, we can't wait to get back here on Monday for Week 4! Your campers will take the stage at The Gala at the Garden and we can't wait to see their performances. We know they have been working really hard. Have a great weekend, stay cool and get some rest!

SUMMER 24 SHOUTOUTS

- Tadpoles smiled big for picture day and loved wearing our pajamas to camp for Wear it Wednesday! Congratulations to our wear it winners TP6!
- Wow week 3 already! Intermediate has kept cool through this heat with water activities and practicing for the talent show! We can not wait to see what week 4 will bring!
- Even though week 3 was hot, junior camp enjoyed some extra time at the pool, pajama day, and the delicious French toast on Wednesday, along with all the snow cones! We are prepping for our talent show and can't wait for next week!
- MB1 won Pajama Day wear it and MB2 raised the flag on Wednesday. Way to go!
- Senior camp had another amazing week. They made chocolate cake pops in chocolate making, Smores in Chef Harry's, and had an explosive time in Silly Science making bottle rockets! We can't believe we are heading to
