Green Pixar vs. Gold Warner Brothers!!

The most anticipated week of the summer was finally here! Color War 2024 was in full swing on Monday and Campers and Team Members were more than ready for the Battle at The Bridge. Green Pixar and Gold Warner Brothers were up for the challenge of who would be this year's champions! There was green and gold everywhere and you could here them cheering at the Olympics in Paris!

We kicked off the games on Monday with many different challenges. Whether it was a baking contest in Chef Harry's, a kickball game, or a relay race, campers were winning points for their teams and we couldn't be prouder. Their sportsmanship and teamwork was shown throughout the week and we were proud to see that both teams were rooting each other on! Way to go!

Our annual Food Eating Challenge was definitely full of surprises this year. Our generals and lieutenants had to eat a feast of a pizza pie, a plate of scooby snacks, a plate of dog food (it was really meatballs) and an entire pudding pie. Don't worry after it

was all finished we told them what they were really eating. Congrats to both teams for finishing all four courses, but in the end it was the Green Team who finished first.

Our annual 86 acre relay incorporates all 86 acres of Frogbridge and every group in camp. The race starts with the Generals on Yellow Meeting House Road and they pass a colored bandana from event to event. Each group is stationed at an activity and once they finish they pass the bandana on to the next activity. The last event of the relay has everyone back at assembly cheering on their generals and lieutenants. They have to put together a giant team colored puzzle and then are given three numbers to solve the code to unlock the cage sending their colored balloons into the air. After a very close race, the Green team's balloons went flying into the air and they won this year's race.

Tug of war was up next and besides the leaders, it was almost a clean sweep by the Gold Team. Both teams points were so close, that at our assembly bucket dump on Tuesday both teams buckets were filled with water.

There were no surprises in there for anyone.

When we returned to camp on Wednesday, it seemed the rain wanted to join in on the fun this week! Luckily for us we moved all the fun inside. Frogbridge Find it, our indoor scavenger hunt, had both teams digging through their bags and all their spirit wear to see which team would be able to find the item called out first! Great job to everyone for having some of the most random items, including a green or gold shoe lace.

This years fundraiser was to raise money for ALS and once again this year we incorporated into our Color War activities. Both teams raised money to duct tape their team leaders to the wall in HSG! Thank you all for your generous contributions, together we raised close to \$2600!

As we marched by team to HSG for the Color War finale, campers were cheering and chanting and couldn't wait to present their plaques and sing their songs to the judges! The songbook presentations, fight songs and skits were beyond amazing, but its always the alma maters that get us every year! We are beyond proud of both teams and thank you all for such hard work! In the end Green Pixar was crowned the champions! And they are now 3 year "3-peat" champs!

Although the rain had to re-schedule our family night and camp carnival, we can't wait to see you all on Monday! Have a great weekend and get ready for week 8! We promise we have lots more in store for you!
